Meet the Deplorables Harmon Leon 2017-12-12 Ripped from the headlines, Meet the Deplorables: Infiltrating Trump America ventures deep into Red State territory and explores the current shape of our divided country, providing a fresh, first-hand perspective of right-wing subcultures and the mindsets of the so-called “deplorables” who helped propel Donald J. Trump to the Oval Office. In his inimitable Gonzo-style, infiltration journalist HARMON LEON—whose stories have appeared in VICE, Esquire, The Nation, and National Geographic—dons a variety of disguises and goes undercover into the heart of Trump America where his exploits include canvassing door-to-door as a Trump supporter, hanging out with Trump fanatics as they receive free Donald tattoos, demonstrating how easy it is to purchase an assault weapon on Facebook, visiting an anti-Muslim hate group on the same day as a mass shooting, spending time with anti-choice protesters in front of Planned Parenthood, joining a conversion therapy group that tries to “turn” gay men straight, and many, many more. Adding an innovative extra dimension to the book, two-time winner of the RFK Journalism Award and Pulitzer Prize finalist TED RALL enhances the carefully crafted narrative—and connects Leon's audacious accounts to the greater Trump phenomena—with his own distinctive full-color cartoons and insightful analysis, including a poignant epilogue. A necessary read in the time of Trump, this unique collaboration by the formidable team of Harmon Leon and Ted Rall holds up a mirror to modern conservative life and reflects a reality that is outrageous, entertaining, and always illuminating.

Mazda Miata MX-5 Performance Projects Keith Tanner

Mazda MX-5 Miata Thomas Bryant 2014-11-01 Celebrating a quarter century of the car that redefined its genre. [apply edits made above] The Mazda MX-5, (known as Miata in North America and Eunos Roadster in Japan), revolutionized the lightweight two-seater roadster market. By taking the front-engine, rear-wheel-drive layout of traditional British and Italian roadsters and combining it with the modern function and reliability for which Japanese cars were justly famous, Mazda created what many consider the perfect sports car. The MX-5 became the best-selling sports car of all time, selling over a million units worldwide.

Customers proved that they hadn't lost their desire for simple, lightweight two-seat convertibles; they had simply lost their desire for unreliable, archaic European anachronisms that caught on fire as part of their charm. In 2009, English automotive critic Jeremy Clarkson wrote: "The fact is that if you want a sports car, the MX-5 is perfect. Nothing on the road will give you better value. Nothing will give you so much fun. The only reason I'm giving it five stars is because I can't give it 14." Mazda MX-5 Miata: Twenty-Five Years is a handsomely-illustrated coffee-table book celebrating Mazda's ground-breaking MX-5

Miata, the car that revolutionized the lightweight two-seater roadster market.
